
1 tumor core
2 immune border outer layer mixed with non−immune cell types
3 tumor border outer layer mixed with fibroblast
4 immune border inner layer
5 fibroblast mixed with immune, border for dense fibroblast stroma
6 immune aggregation
7 fibroblast stroma
8 tumor border outer layer mixed with immune and fibroblast
9 vessel mixed with immune and fibroblast
10 tumor border inner layer for dense tumor, mixed with non−tumor cell types for diffused tumor
